### Member To Member Savings Program Application

Our Member to Member Savings Program is a benefit available to Romeoville Area Chamber members. This program is a member-to-member alliance in which Romeoville Area members and their employees receive a members “deal” on products and services when patronizing participating Romeoville Area Chamber member businesses. A deal could be a discount in price or an upgrade in service,... You choose what works best with your business structure.

This program is intended to encourage fellow members to shop members and refer potential customers. To initiate the program, you must be a Chamber Member in good standing for 2011.

These “deals” will be marketed on the RACC website, our Facebook page, at our Monthly luncheons and “RACC This Week”.
